Re: RFYP Day Habilitation Closure

Dear Guardians and Providers,

With the ever evolving and changing COVID-19 pandemic spreading world-wide and close to home here in Johnson County, Reach For Your Potential has made the decision to keep the Day Habilitation program closed through April 2020. **The projected date to reopen the Day Habilitation will be May 4th, 2020.**

RFYP puts the safety and well being of all of our members, employees, and families first when making all programming decisions and feel this is in the best interest of all involved. We understand the confusion and disruption that this may cause for many of our members who look forward to attending the Day Hab program. We have taken steps to provide structure and activities for our residential members to bring some of their Day Hab experiences to their homes including daily crafts, exercises, and opportunities to get outside of their homes while practicing safe and appropriate social distancing.

RFYP continues to work closely with local and state agencies to follow their recommendations on how to best keep all members safe and healthy. We will continue to monitor this everchanging situation and update you all with any further delays of our Day Hab program reopening. Our priority is to continue to provide a safe and healthy environment for all of our members and we will take all necessary precautions to ensure that we maintain that safe environment.

Please feel free to contact the RFYP main office if you have any questions or concerns regarding the Reach For Your Potential Day Habilitation Program.

Sincerely,

Stuart Kunkel
RFYP Day Habilitation Program Director
